Press Release

DeSpain Cayce Dermatology Center & Medical Spa launches Laser Tattoo Removal

DeSpain Cayce Medical Spa now offers Laser Tattoo Removal under the direct supervision of board-certified dermatologists, Dr. John DeSpain and Dr. Kimberly Cayce

Columbia, MO: DeSpain Cayce Dermatology Center & Medical Spa is pleased to announce that we are now offering Laser Tattoo Removal using the highly effective and advanced Trinity Laser by Astanza Laser. Thousands of Mid-Missouri residents who have received their dermatologic care from DeSpain Cayce Dermatology can now safely and effectively remove unwanted tattoos under the supervision of dermatologists that they know and trust.

All treatments are performed by Sara Haslag, RN under the direct supervision of board-certified dermatologists, Dr. John DeSpain and Dr. Kimberly Cayce. For years, residents of Columbia and mid-Missouri have traveled to St. Louis and Kansas City to get rid of unwanted body art. Our convenient location, trained staff and affordable pricing give the community a better option. Treatments are performed that same day as the complimentary consultation and on average only 6 to 10 treatments are needed to successfully remove the tattoo.

Please contact Stephanie Flakne, Practice Administrator, for more information at 573.446.5166 or by email at stephanie@columbiaderm.com
